Welcome back to all of our returning dancers and welcome new dancers to our dance family! It's been a fun & exciting couple of weeks getting back to dancing with your kiddos!

Covid Protocols

This will be evolving and updated as we discover what works best for our dancers, parents & staff to keep us all safe. We will continue to keep only our dance students in our studio, parents may come in to drop off and pick up, but not be allowed to wait in the studio for your child. (this eliminates congestion in our studio). Hand sanitizer is throughout the studio. Staff will be wearing masks and students 6 years and up are HIGHLY recommended to also wear masks.

Tuition is due at the beginning of the month. Invoices will be emailed out to all. After the 10th, a late fee will be added to your account.

Costume payments are due by December 15th, 2021.

3-10 years of age will be charged \$65 per class.

11 & up dancers will be charged \$85 per class.

Dress attire for our dancers - solid colored leotard, tan or pink tights, hair up off shoulders in a ponytail or bun. Boys black sweatpants, shorts T-shirts.

Parents please be on the lookout in the parking lot for our dancers as they make it to their vehicle. I am not sure at this time how long the tent will stay up from the Tap.

We will be holding a referral contest during the months of September - November. Any dancer who has a friend join dance and stay for the year, will both receive 2 free recital tickets and will get the chance to attend a pizza party at the studio with the RDE teachers.

In class, we will be holding a **split club**, **pirouette club** and **perfect attendance club**. Awards will be announced and handed out at our recital.

All students will be added to our Wall of Fame and will get a picture taken of them to hang on the Wall of Fame. It will mark 1, 5, 10 & 15 year students.
